

Document #80

Case NO: 19-21526

July 29, 2022

Attn: Judge Kaplan

I object to the application for
Rebton listing my property for sale
at Market rate with Fareeda Stokes
or any realtor. I owe way more
for my house than it's worth and
there has also been fees attached.

For weeks I have expressed to
Candace Sklar that I would like
to do a Shortsale. She has refused
to do this and has been filing
paperwork on my behalf and then
including a fee.

My home needs several repairs
and I was looking to have private
listing or see if I can sell myself.

I have lived in my family house
46 years and don't feel it would
be safe having traffic of strangers
throughout my residence. Thank you
for your consideration in this matter.
